GOLFSIDE RESIDENCE

ATHENS, GREECE

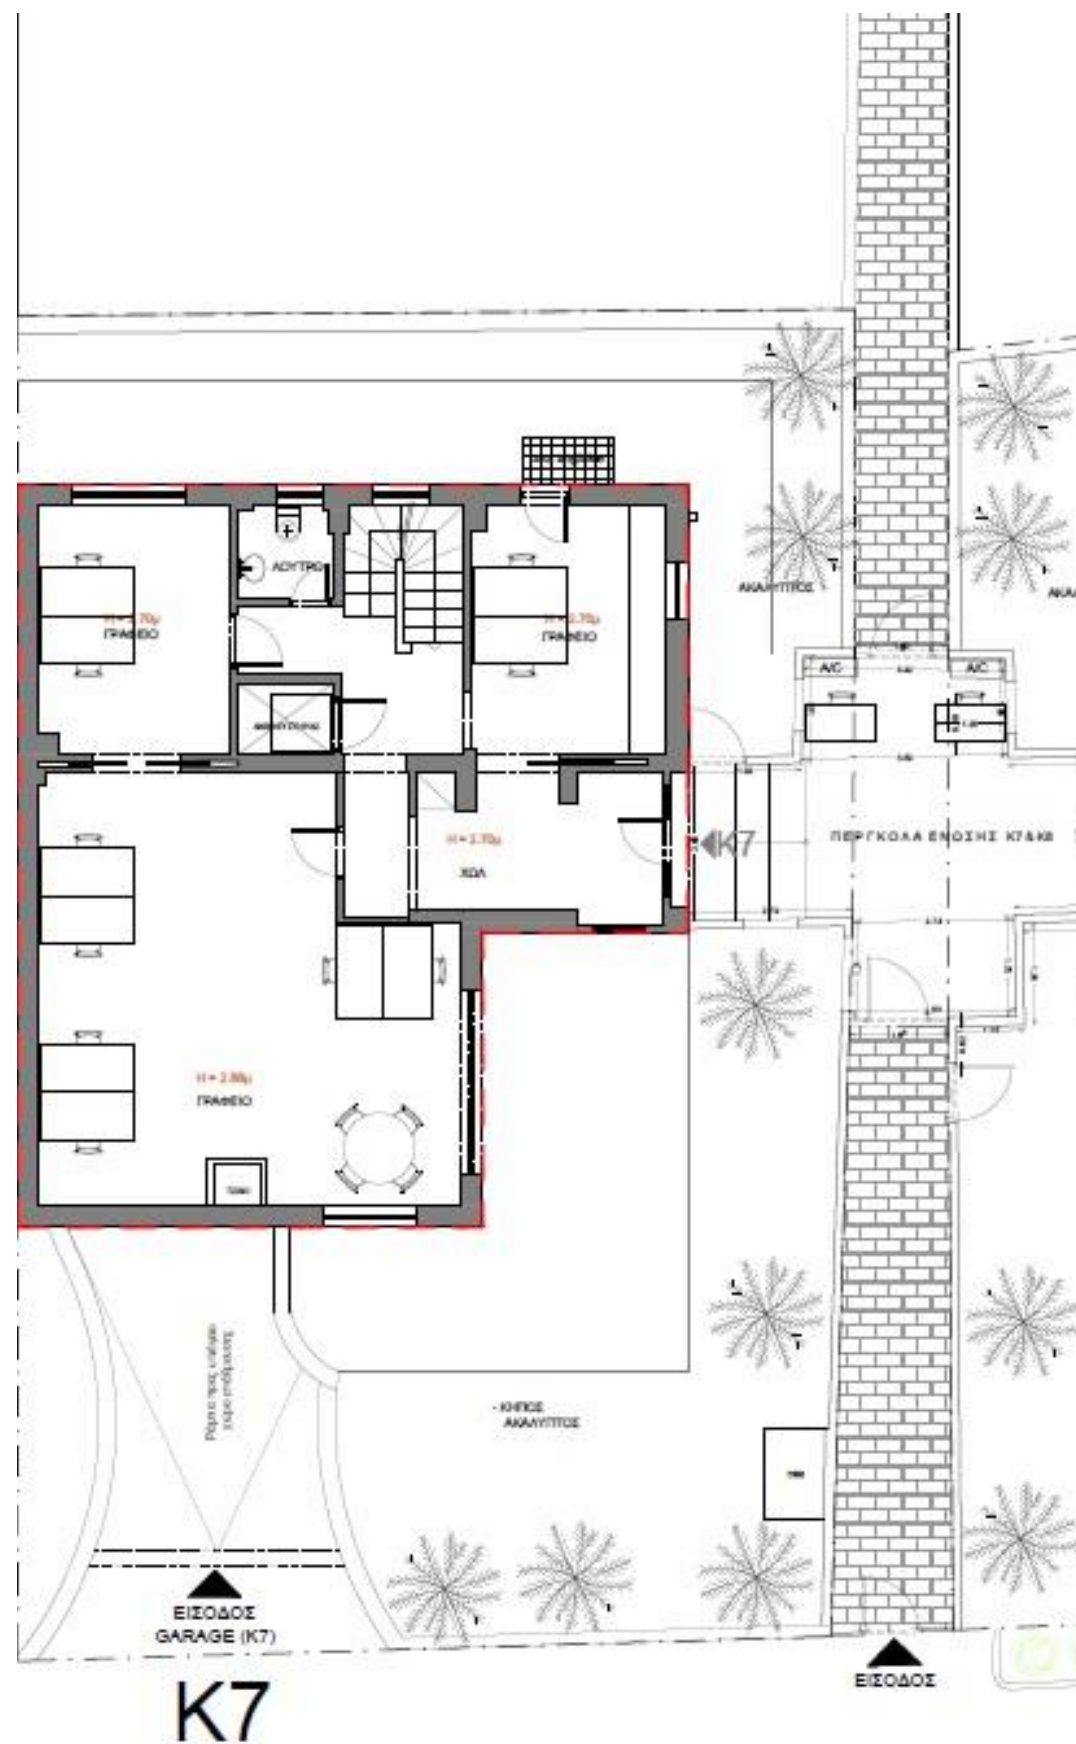

Renovated office spaces

Welcome to a modern office destination designed to support productivity, comfort, and professional growth. Ideally situated in a well-connected area in Central Glyfada, the development offers a refined working environment with easy access to key business, commercial, and lifestyle amenities.

The offices are designed to meet the needs of contemporary businesses, combining functional layouts, quality finishes, and a welcoming atmosphere. With flexible workspaces, essential facilities, and carefully planned common areas, the property provides an efficient and comfortable setting for companies of different sizes.

Set within a calm and well-maintained environment, the office spaces offer a practical and professional solution for businesses seeking a modern workplace.
